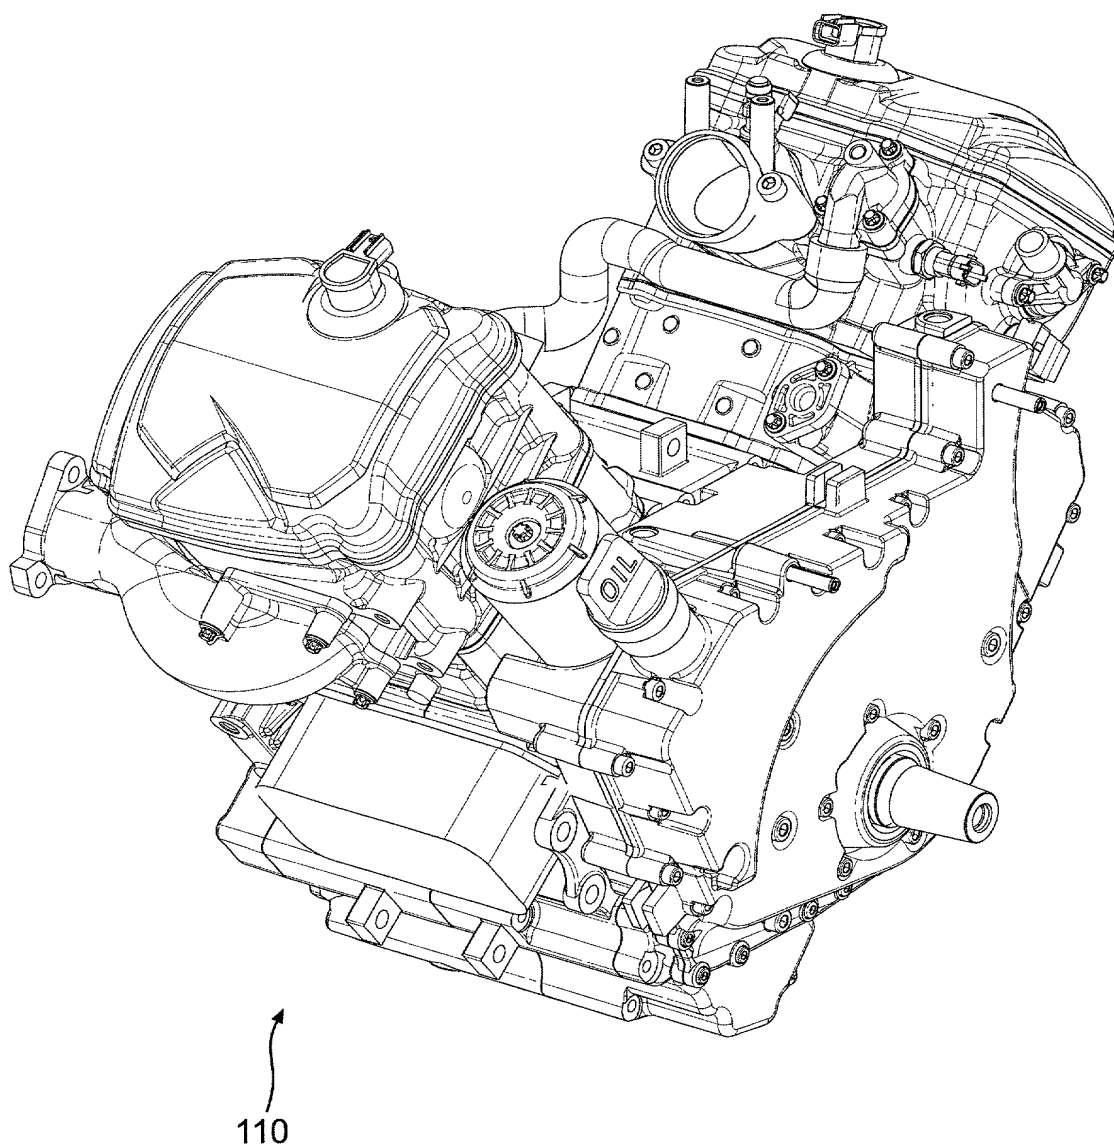

FIG. 5

This technical drawing shows an exploded perspective view of a marine outboard motor assembly. The main component is the outboard motor housing, which features the "BOMBARDIER" logo on its side. A separate upper engine cover is shown positioned above the main housing. To the left, an oil dipstick with a cap labeled "OIL" is shown. To the right, a cylindrical component, likely a fuel tank or filter housing, is shown. A reference numeral "112" with a leader line points to the upper engine cover.
